**WHY THIS BOOK EXISTS**

# Most businesses need more print than they realize.

Use this as an idea guide. If you see something your team could use, NuePrint can help design, print, finish and produce it.

<b>Storefront signs</b> 	<b>Window graphics</b> 	<b>Wall graphics</b> 
<b>Banners</b> 	<b>Labels</b> 	<b>Vehicle decals</b> 
<b>Rigid signs</b> 	<b>Paper products</b> 	<b>Apparel</b> 
<b>Wayfinding</b> 	<b>Displays</b> 	<b>Install</b> 

**The goal is simple: make it easier to spot opportunities you may not have thought about yet.**

HOW WE HELP

# One partner. Many steps.

We help move a project from rough idea to finished piece without making you guess the right print process or material.

1

## DESIGN

Layout, file prep, brand consistency and production guidance.

2

## PRINT

Large format, labels, decals, paper products, apparel and specialty graphics.

3

## FINISH

Mounting, lamination, trimming, cutting, routing and production finishing.

4

## INSTALL

Wall graphics, windows, signs, banners and site graphics installed properly.

IDEAS

# Signs & Banners

Signs that get seen.

Storefront banners, grand opening signs, fence graphics, event signs, yard signs, temporary promos and directional signage.

Storefront banners

Fence graphics

Event signage

Directional signs

Yard signs

Promo signs

**IDEAS**

# Window & Wall Graphics

Turn blank space into branded space.

Use windows, doors, walls and empty surfaces to communicate, advertise, guide visitors and create a more professional environment.

**IDEAS**

# Rigid & Dimensional Signs

Durable signs for indoor and outdoor use.

From temporary panels to premium acrylic and ACM signs, rigid signage helps your brand feel real, stable and professional.

**PVC / Sintra**

**Acrylic signs**

**ACM panels**

**Foamboard**

**Dimensional letters**

**Routed displays**

IDEAS

# Labels, Stickers & Decals

Small pieces that do big work.

Labels and decals are perfect for products, packaging, safety, equipment, hard hats, QR codes, windows and promotional giveaways.

**IDEAS**

# Vehicles, Fleet & Equipment

Put your brand on the road.

Turn trucks, vans, trailers and equipment into branded assets that work while your team is moving.

## Truck lettering

## Van graphics

## Trailer decals

## Equipment decals

## Door logos

## Partial wraps

IDEAS

# Paper Products & Sales Materials

Print materials that support sales.

Business cards, flyers, postcards, brochures, menus, door hangers and sell sheets help teams explain, promote and close.

**Business cards**

**Flyers**

**Postcards**

**Brochures**

**Menus**

**Door hangers**

IDEAS

# Events, Trade Shows & Displays

Show up prepared.

The pieces you bring to an event shape how people remember you. Make the table, booth and follow-up materials work together.

Pop-up banners

Table covers

Backdrops

Foamboard signs

Giveaways

Presentation boards

USE-CASE GUIDE

# Ideas by industry

Most buyers do not need every product. They need the right set of print tools for their environment.

## Contractors

Jobsite signs, fence banners, safety decals, vehicle graphics, and apparel.

## Retail

Window graphics, sale signs, labels, storefront signs, and display pieces.

## Offices

Lobby signs, wall graphics, wayfinding, business cards, and event displays.

## Restaurants

Menus, decals, table tents, window signs, postcards, and labels.

## Events

Banners, backdrops, badges, displays, stickers, and table covers.

## Property Teams

ADA signs, tenant signs, directional signs, notices, and leasing graphics.

MATERIAL GUIDE

# Common materials

A quick guide to the materials people ask about most often.

## Coroplast

Temporary signs, yard signs, short-term wayfinding.

## PVC / Sintra

Indoor/outdoor signs, menu boards, wayfinding.

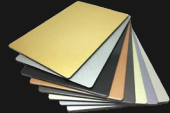

## Acrylic

Premium signs, lobby pieces, displays, dimensional looks.

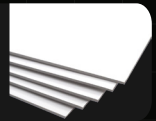

## ACM / Dibond

Exterior signs, long-term panels, commercial branding.

## Foamboard

Presentations, indoor signs, event and sales displays.

## Vinyl

Windows, walls, vehicles, decals, banners and graphics.

## PROJECT STARTER

# What to bring us

A good quote starts with the right details. Bring any of these and we can help fill in the blanks.

## Size or approximate space

Width, height, quantity or area.

## Where it will be used

Indoor, outdoor, vehicle, window, wall or jobsite.

## How long it needs to last

Temporary, seasonal, annual or long-term.

## Artwork or inspiration

Logo, sketch, photo, brand guide or old file.

## Timing

Event date, opening date, install date or deadline.

## Budget range

We can recommend the best material and finish for the goal.

**BUILD A PACKAGE**

# Common project bundles

These example bundles help buyers see how products work together.

## New Storefront Launch

Storefront sign • Window graphics • Grand opening banner • Business cards • Flyers / postcards

## Contractor Jobsite Kit

Fence banner • Safety signs • Hard-hat decals • Trailer graphics • Branded apparel

## Trade Show Kit

Pop-up banner • Table cover • Sell sheets • Stickers • Presentation boards

## Office Refresh

Lobby sign • Wall graphics • Wayfinding • Door decals • Nameplates
